

## Math Rubric

<b>Points</b>	<b>Rubric for Accuracy</b>	<b>Grade</b>
5	Correct answer with correct work including units and required explanations	100 (CP) 100 (HN)
4	Correct process but has minor mathematical errors not related to standard being assessed	87 (CP) 80 (HN)
3	Correct approach but has minor mathematical errors related to standard being assessed	73 (CP) 60 (HN)
2	Approach is partially correct but solution process is flawed OR valid approach and correct result but does not address the standard being assessed	60 (CP) 41 (HN)
1	Correct answer with no supporting work, incorrect numerical answer with inappropriate work, OR incomplete work.	40 (CP) 21 (HN)
0	No answer or frivolous response is given	0 (CP) 0 (HN)
